SUBJECT:	Food Safety Update	

This Management Bulletin transmits information on a legislative amendment to the California Uniform Retail Food Facilities Law (CURFFL), information on food safety during food preparation and transport, and the availability of a publication on CURFFL requirements.

We are providing the following information from the California Department of Health Services for your information:

**Legislative Amendment to CURFFL–Temporary Food Facilities** (Attachment I)

- ?? Outlines the changes in requirements for temporary food facilities.
- ?? Provides a flow chart to assist in determining if an event is subject to CURFFL.

**Ensuring Safety of Food Prepared and Transported for Service** (Attachment II)

- ?? Provides storage temperatures and information on potentially hazardous foods.
- ?? Provides information on the safe transport of potentially hazardous foods.
- ?? Provides information on the safe and sanitary delivery and receipt of food. Potentially hazardous foods that are delivered at temperatures outside of established specifications must be evaluated for safety before use.

**Order Form for CURFFL Booklet** (Attachment III)

- ?? This publication provides information on the general provisions of CURFFL; general sanitation requirements for food facilities and establishments, vending machines, mobile food preparation units, temporary food facilities, and satellite food distribution facilities; and other related topics.
